Q&A with Leyla: Are there any drawbacks to eating canned fish?

written by Dr. Ronald Hoffman | April 9, 2026

The benefits of sauna; The Take Back Your Health Tour; Milk thistle interactions with drugs; Low-dose saw palmetto for hair growth? Is monk fruit a safe sweetener to use? Would strontium help in the healing of lumbar fractures? How about as a preventive? Are there any drawbacks to eating canned fish? And more!
