

Q&A with Leyla Holiday Encore

written by Leyla Muedin MS, RD, CDN | December 26, 2024

ENCORE: Q&A with Leyla, Part 1: The Impact of Exercise on Dementia

- Study: The impact of exercise on dementia
- Nicotinamide Riboside – does it increase cancer risk and metastasis?

ENCORE: Q&A with Leyla, Part 2: Cocoa Powder

- How much of the flavanols do I lose by heating cocoa powder?
- My osteoporosis appears to be resolved with bone health nutrients and strontium. Should I continue taking them?
- Is melatonin indicated for osteoporosis? If so, at what dose?
- Is there any way of clearing the spike proteins from one's body after taking the jabs?
- Any recommendations on reducing the residual stiffness of polymyalgia rheumatica?
