Q&A with Leyla: Tariff Impacts on Nutraceuticals

written by Dr. Ronald Hoffman | April 10, 2025

Q&A with Leyla, Part 1: Tariff Impacts on Nutraceuticals

- The impact of tariffs on the prices of nutraceuticals
- Switching from seed oils to tallow in restaurants is great, but is the tallow from grass-fed beef?
- My LDL is high after stopping my statin and starting intermittent fasting

Q&A with Leyla, Part 2: Regional Pain Syndrome

- Is higher cholesterol better for the brain?
- Would taking strontium for spine osteoporosis be of benefit?
- I have chronic regional pain syndrome. Any suggestions for treatment?
- A grateful pet owner’s comment on Dr. Hoffman’s recent podcast with a holistic veterinarian
