Q&A with Leyla: Are drip coffee makers made from plastic bad for your health?

written by Dr. Ronald Hoffman | September 11, 2025

ANH fighting for free speech on the true benefits of supplements; Which form of magnesium for mitral valve prolapse? Can protein powders and creatine affect urination? Are drip coffee makers made from plastic bad for your health? “I have a 50% chance of thyroid cancer based on molecular testing, must I have it removed?” And more!
