Intelligent Medicine Radio for May 30: Natural Alternatives to Repel Mosquitoes and Ticks

written by Dr. Ronald Hoffman | June 1, 2026

A tale of 2 pneumonias—NASCAR racer Kyle Busch dead at 41 while Rudy Giuliani, age 81, survives critical care; Proposed ban on tobacco products for future generations of Brits aims to eradicate smoking. Best natural alternatives to repel mosquitoes and ticks; When cancer treatments cause osteoporosis; Organoids and computer simulations promise to reduce the toll of live animal experimentation; Shortfall in doctors accelerated by early retirement as physicians cite “hassle factor.” And more!
